## SOCIAL MEDIA #snowhunt19

Welcome to our Village-wide scavenger hunt! This #snowhunt19 challenge will take you all over the place, learning interesting facts about our little village, while having loads of FUN and learning a very special skill: tree hugging! You don't have to "social" (Facebook, Twitter, Instagram) everything, but it will earn you invaluable extra points!

Your entry will enter you in this (very serious) challenge for a cash prize of R1 000 for the person with the **most points**. The more social you are, the more points you can earn! All entries will also automatically go into the **draw** for an accommodation prize.

### General Instructions, Guidelines and Rules

1. Bring your own paper and pen, or better still - make electronic notes of your answers.
2. It is a weekend-long challenge. You can register (R50 per entry) any time during the challenge (at the **Info Centre**) and get your official **#huntnumber**.
3. The #snowhunt19 will take you to most of the participating venues. If the venue has a snowflake on the programme, then there will be clues there for you to follow and answer!
4. The questions or challenge instructions for each venue will be displayed at a central spot at each of the venues. Eyes peeled! Look sharp!
5. You **won't have time to do all the items** in the #snowhunt19, so planning is essential. You can use the programme and map to plan where to go.
6. As you won't be able to be in two places at the same time, you won't be able to submit answers for simultaneous events. You can't get someone else to attend other events on your behalf.
7. If any answer/picture has to be posted online ("Social it"), don't forget to add the question number, your huntnumber and #snowhunt19, otherwise your answer won't count!
8. Be safe and responsible when completing the fun tasks! Don't harm any trees or locals while hugging!
9. We reserve the right to use all photos and evidence as part of our social media campaign, so don't upload any item that may be offensive or inappropriate!
10. Disclaimer: The organisers, venues, village and organising committee do not take any responsibility for any injury or harm which may result from participating in this #snowhunt19.
11. The judges' decision is final!

### "Social it" means:

Some of the questions will require you to take photos and upload them to social media. Make sure to ask your hosts for their Wi-Fi passwords to post your entries or there will be Wi-fi at the Info Centre. "Social it" means that you have to use either one of the following social media platforms to post your answers:

- **Facebook:** Go to [bit.ly/snowhunt](http://bit.ly/snowhunt) and add your photos/videos as well as the question number (e.g. #0001) and the hashtags #snowhunt19 and #hogsbackcelebrations;
- **Instagram:** Add #snowhunt19, #hogsbackcelebrations and your #huntnumber to your photos; or
- **Twitter:** Add #snowhunt19, #hogsbackcelebrations and your #huntnumber to your tweet.
